Booth Space Assignment

Booth space will be assigned through the Priority Point System detailed below.

Exhibitors accumulate points for the booth selection process for the Annual Meetings and Exhibition. This priority point system allows companies with the highest accumulation of points to have priority in selecting a booth for the following year's show. For example, companies that earn the most points will have the first opportunity to sign up for booth space.

How the Priority Points System Works

Total accumulation of points determines the order in which booths are assigned. For 2017 booth selection, all points previously accumulated and all points pledged for 2017 will be included in the total.

2017 Calendar for Booth Selection

- | | |
|---------|--|
| Jan. 22 | Deadline for submitting 2017 pledge form. |
| Feb. 18 | Companies notified of total points projected. |
| Feb. 18 | Priority booth assignment begins for 2017. |
| Mar. 15 | Priority booth assignments confirmed. Booths now assigned on a first-come, first served basis. |

Accumulating Points

- 3 points for each consecutive year a company exhibits.
- 1 point per \$1,000 spent on Annual Meeting sponsorships, exhibit space, advertising in any Society publication, and paid registrations to the Annual Meeting.

- 4 points for Platinum Corporate Members; 2 points for Gold Corporate members; and 1 point for Silver Corporate Members.

Loss of Points

- Any violation of the Rules and Regulations that are not or cannot be remedied onsite. (For example: late set-up or early tear-down of booth; violation of height and space restrictions, unauthorized use of attendee mailing list, etc.): -1 pt for each violation.
- Non-Fulfillment Policy: Any exhibitor who fails to meet the obligation of a contracted package will lose one point per violation in addition to points previously accumulated by portion of contract not filled.

Tie Breakers

If the total points between exhibitors are equal and the specific booth requested is identical, a tie breaker will be decided by:

- a. Date application and down payment are received
- b. Continuity of years exhibiting
- c. Number of years exhibiting
- d. Lottery system

Points will be assigned to the exhibiting company that signs the Exhibitor's License. Points will not be given to co-exhibitors.

Mergers and Acquisitions

Priority points will be calculated for the company name stated on the exhibitor contract or corporate support letter of agreement. If companies have since merged or been acquired, the resulting company may choose to use the highest points of any of the previous companies. Points will not be combined.

Companies belonging to a parent company with other divisions cannot reserve exhibit space under the parent company's points unless they are participating under the parent company's name. For example, if XYZ Asset Management owns A Inc. and B Inc., A Inc. and B Inc. can't use XYZ Asset Managements' points to reserve space under the name A Inc. and B Inc. Each company must use its own points to reserve space.

A company that has merged with another company must notify Marketing/Membership, so that the points can be reviewed and reassigned.

The Societies reserve the right to intervene when sound levels or crowds constitute interference.

In such events, all deposits and payments made by the exhibitor for exhibit space shall be returned minus any expenses incurred by the Societies on behalf of the exhibitor.
